

# INTERNATIONAL RESEARCH & STUDY PROGRAM

California State University, Fullerton

## COST

\$5,622

## LOCATION

Orange County,  
California

## Program Overview

The International Research & Study Program (IRSP) provides research opportunities at California State University, Fullerton for undergraduate and graduate international students. In this program, selected applicants will:

- Enroll in credits/units under the supervision of Cal State Fullerton faculty
- Pick a 3-unit research project
- Study and conduct research on campus with Cal State Fullerton faculty and students
- Gain skills needed to succeed as professionals in increasingly diverse and international workplaces
- Apply enhanced intercultural communication skills in lab and community-based contexts
- Enroll in courses aligned with your academic interests and professional goals

*Note: Program applicants should have recently scored above 500 on the paper-based TOEFL (iBT-61) or 5.5 on IELTS.*

## Sample Faculty Research Projects

- Civil Engineering
  - Accurate Prediction of Service Life of Concrete Bridge Decks and Pavements Due to Chloride Induced Corrosion
  - Use of Recycled Materials in Civil Engineering Infrastructures
  - Response of Clayey Soils during and after an Earthquake
- Computer Science
  - Situation Assessment of Cognitive Autonomous Systems
  - Using Test-driven Development to Enhance Computer Programming Exercises
  - Reinforcement Learning for Coordinated Sampling in Sensor Networks
- Mechanical Engineering
  - Fabrication of Smart Devices using 4D Printing Technology

## Our Campus

Founded in 1957, Cal State Fullerton is one of the largest public universities in California, with nearly 40,000 students, more than 250,000 graduates, and approximately 2,000 faculty members.

The University's 240-acre (97-hectare) campus includes centers for recreation, sport and the performing arts. There are also on-campus housing options, numerous cafes/ restaurants, and a student health center for any medical needs.

## Our Location

Cal State Fullerton's campus is about 25 miles (40 kilometers) from downtown Los Angeles and 20 miles (32 kilometers) from nearby beaches. The University is in the heart of a thriving economic region that is home to some of the world's most prominent multinational corporations, as well as leaders in the entertainment and tourism industries.

- 8 colleges offering over 100 degree programs
- A diverse campus community, with nearly 3,000 International students from 90 countries
- More than 350 student clubs and organizations (including cultural, athletic, academic and major specific clubs)
